April showers... bring June yard sales!

Susie's big spring sale will be the first full week of June 2019. As always, if you have any household, yard, automotive, equipment, or tool items that you'd just love to make available, call Mike at 812-936-9648. If you get everyone at church excited about cleaning out their storage places and gather a bunch of stuff, we will be glad to bring the enclosed trailer and load it up. This year the monies raised will go to helping put a driveway at Enoch's Abode.

Pictured above are one of our favorite youth groups, from Trinity Baptist in Westfield, Indiana, helping with last year's yard sale. Susie really appreciated the extra help and besides, those hats didn't fit her.

Our major project need for 2019 is the completion of Enoch's Abode driveway and exterior stair landings. This home was completed several years ago, but we have not had the means to complete paving the drive or properly finishing the stairway. To black-top the entire drive with the parking area was bid at \$10,000. We already have enough brick to make the decorative base under both stairways, but the stairs are too dangerous and need a landing halfway down before we do the blacktop.

Finally, we would love to place decorative stone or some other facing material on the block walls of the basement.

Any help would be very much appreciated and would bring closure to this beautiful two bedroom duplex.

Thank you all for praying and sharing our burden: assisting missionaries with furlough and deputation. *Michel & Susan Weiss*
