

SBBM: Fully furnished homes for missionaries on deputation or furlough

To our generous family of supporters,

It is always with a heart of thankfulness and praise that I prepare and distribute our year end receipt letters. There is not one person or church that gets a receipt for whom we haven't had many days of thankful praise during the course of 2018.

Please know that you have greatly assisted us in relieving the physical housing needs of many missionary guests. Pictured below are just a few who were at our home for

Ben Murry's going away dinner. He has moved to the West Coast to continue deputation.

Others pictured are Tim Moriority, Gelson Javier family, Dennis & Sherilynn Thompson, Ruth & Steve Carr, Chad & Windy Carr family, Missing but living here are the Curtis family, Robertson family, Jonathan Buker, and Doris & Rex Halstead.

Many others have come and gone during the last year and also enjoyed and appreciated the care and assistance that was given them.

All this was made possible because of your love for Christ and the belief that His Kingdom can be increased in all the earth by gospel preaching.

How we rejoice with you that His coming and Kingdom are literally almost upon us. As our pastor from Marquette Manor used to say at the end of many messages, "Come quickly Lord Jesus!"

Rev 22:20 He who testifieth these things saith, Yea: I come quickly. Amen: come, Lord Jesus.
